HONOURS

Mitchell Clarke 12 St Andrews

Mitchell has played in the 1st V Basketball team since 2014 when he was in Year 9 and has been an integral part of the 2015, 2016 and 2017 PSA 1^{sts} Basketball competitions.

In 2017, Mitchell was Captain of the 1st V Basketball team. His leadership and performances both on and off the court were outstanding. He played as the team's point guard and controlled much of the ball in attack and defence. Over the six games he averaged 22 points a game with a game high 35 points against Hale School who went on to share the Blackwood Cup with two other schools. Mitchell also gathered several assists, rebounds and steals in every game. He was instrumental in leading the team defence, which helped create scoring opportunities for the Scotch College team. Mitchell possesses an outstanding all-round basketball ability and this is further evidenced in his performances beyond the College.

Mitchell was the starting guard for the WABL under 18's 1st team for the Perry Lakes Hawks Championship side of 2017, averaging 17 points, seven rebounds and five assists a game for the season. He won the MVP (Most Valuable Player) award for the team and was selected in the WABL All-Star team (The top 10 in the state voted by coaches and opposition coaches and referees). He has recently been offered a contract for 2017 with the Men's State Basketball League team at Perry Lakes.

Congratulations to Mitchell on the thoroughly deserved award of Honours for Basketball.

HONOURS

David MacKinnon 12 Ross

David has rowed in the Scotch College 1st VIII for the past two years. In this time, he has demonstrated that he is one of the best rowers the College has produced in recent years, possessing all of the physical and mental attributes required to reach an elite level. David has demonstrated excellence in his attitude to training both on the water and on the land and has strong technical skill, coupled with a high level of strength, power and endurance.

David has been identified by WAIS for the State Pathway VIII, with the opportunity for selection through to the Australian Junior selection trials in Penrith later this month. He was a priority pick for the Pathway squad in Western Australia.

In his role as Captain of Boats in 2017 David has been instrumental in the smooth operation of the Boat Club at all levels this season. David has displayed a high level of sportsmanship and an exemplary attitude.

David is a positive role model for all members of the Scotch College Boat Club and he is to be congratulated on his achievement of Honours for Rowing.

HONOURS

Rigby Dowland 12 Ferguson

Rigby has been a member of the 1st VIII Tennis since 2014. During this time he played at Number 3 for two years (2014 and 2015) and at Number 2 in 2016. He remained undefeated in these years in both the WR Corr Cup season and the end of year competition. This year he played at Number 1, against the very best of PSA opposition.

Rigby captained the undefeated 2017 team to win the WR Corr Cup, sharing the Cup with Christ Church Grammar School following a washed out round.

This year is the first time three Year 8 boys have played in the 1st VIII and Rigby was instrumental in melding them into a team through his support and encouragement.

Rigby was selected in School Sport Australia's Under 18's Pizzey Cup Tennis Team, representing Western Australia in New South Wales in 2016. He missed out on the 'All Australian Tennis Team' by one point and was again selected for the same team in 2017, this time to be played in Victoria, but declined the offer due to his examination schedule.

Rigby's overall skill level has been of the very highest quality. His attitude toward his opponents has been impeccable, both on and off the court, demanding the same standard from the whole team.

Rigby is highly respected within the tennis community and is to be congratulated on the achievement of Honours for Tennis.

Max Garbutt-Wilkins

Max played all games for Scotch College this season and was our second highest goal scorer with 13 goals. His best game of the season was played against the very strong Aquinas College team where he was the game's leading goal scorer with four goals. This game against Aquinas was effectively the decider for the Dickinson Shield and his two fantastic outside shots in the first quarter set a strong tone for the game and was one of the reasons Scotch College led 7 – 0 at half-time. Max also played centre-back very strongly throughout the season. Max has been a member of the Scotch College 1st Water Polo team since 2013 and a key member of the team, which has only lost one PSA game in the last two years.

Max played in the World Under 15's Championships in 2014 and 2015 and he also plays for the Melville Water Polo Club.

Max is to be congratulated on his achievement of Honours for Water Polo.

Christian Kyriakou

Christian was Scotch Water Polo's 2017 Co-Vice-Captain. He played as a right driver and controlled the ball well in attack. Christian played a pivotal role in our game against Aquinas College where he played centre-back against their very talented centre-forward. This defensive effort contributed significantly to Scotch College winning that game and, therefore, the Dickinson Shield. Christian has been a member of the Scotch 1st Water Polo team since 2013 and a key member of the team which has only lost one PSA game in the last two years. Christian is a member of the WAIS Water Polo Program. He played in the World Under 15s Championships in 2014 and 2015. Christian was also a member of the Australian Youth Team in 2016. Locally he plays for City Beach Water Polo Club.

Christian is to be congratulated on his achievement of Honours for Water Polo.

Tobias Muir

Toby was excellent in his role as Captain of the 1st Water Polo team throughout 2017 having been voted overwhelmingly into the position. He led by example and was well respected by the playing group. Toby always trained very well and played at his highest intensity in games, scoring 11 goals for the season. He carried the ball up the wing and gave many great assists to teammates. Toby has been a member of the Scotch 1st Water Polo team since 2013 and in 2017 was named Most Valuable Player, within a very strong team. Toby was also a member of the Junior Australian team which won the Gold Medal in the Pan Pacific Championships in 2016. He also represents the Melville Water Polo Club.

Toby is a very worthy recipient of Honours for Water Polo.

Lachlan Vos

Lachlan Vos was Scotch Water Polo's 2017 Co-Vice-Captain. Lachlan was the leading goal scorer for Scotch College (with 15 goals) even though all teams played a zone on him, meaning he was often required to beat at least two defenders. He scored two very important goals against Aquinas College but his presence in centre-forward meant that they had to zone the entire game and that opened up our other attacking players. Lachlan has been a member of the Scotch 1st Water Polo team since 2013 and a key member of the team which has only lost one PSA game in the last two years. He is a member of the WAIS Water Polo Program. Lachlan played in the World Under 15s Championships in 2014 and 2015 and was a member of the Australian Youth Team in 2016. Locally he plays for City Beach Water Polo Club.

Lachlan is congratulated for receiving Honours for Water Polo.
