

# Everything You Need to Know About US & UK Universities

Is Harvard, Stanford, Oxford or Cambridge in your future?

Elite US and UK universities are the hubs of innovation and the best places in the world for accelerating ambitions and providing unmatched career-building opportunities.

The only problem is, the best universities attract the best talent and there's simply not enough room for everyone. The admissions process is highly competitive but gaining entry is still possible, especially if you have the right guidance.

What topics will be covered?

- |   |  |
|---|--|
| <b>01</b> Current education trends in Australia   | <b>02</b> The US and UK universities to aim for                      |
| <b>03</b> The employability, career and internship opportunities available to US and UK university students | <b>04</b> The strengths and weaknesses of top US and UK universities |
| <b>05</b> The structure of US and UK university degrees   | <b>06</b> The US and UK university lifestyle                         |
| <b>07</b> How to apply to US and UK universities - exam scores, essays, interviews, case studies and more.  |  |
