

**SCOTCH  
PARENTS**  
Engaging and Supporting

# Thank you for your contribution

Scotch Parents is a support group, which allows parents and guardians of boys from the Junior, Middle and Senior Schools of the College to undertake activities and fund projects that support and enhance the experience of boys, parents and staff across the school.

This includes the annual Family Welcome BBQ at the commencement of the school year and helping organise parent and Year group functions throughout the year.

Your subscription of \$25 per family per term is used to fund a number of projects and experiences across the Junior, Middle and Senior school.
