

T.E.E. Consultants

July 2018 Courses at U.W.A.

The intensive courses conducted by T.E.E. Consultants are based on the current WACE syllabus and are designed to improve student performances both at school and in the final tertiary examination.

While emphasis will be on the course content, special attention will be paid to examination technique, methods of eliminating careless errors and how work should be presented to gain maximum marks. Students attending the course will receive a workbook for each session.

T.E.E. Consultants offers subsidised full board accommodation at UWA Colleges, available for students enrolled for 3 or more subjects.

Note that **Modern History** students will have the choice from **Unit 3** (5 hours) and/or **Unit 4** (5 hours). Specify choice of booklets when enrolling.
